Wiley Digital Textbook
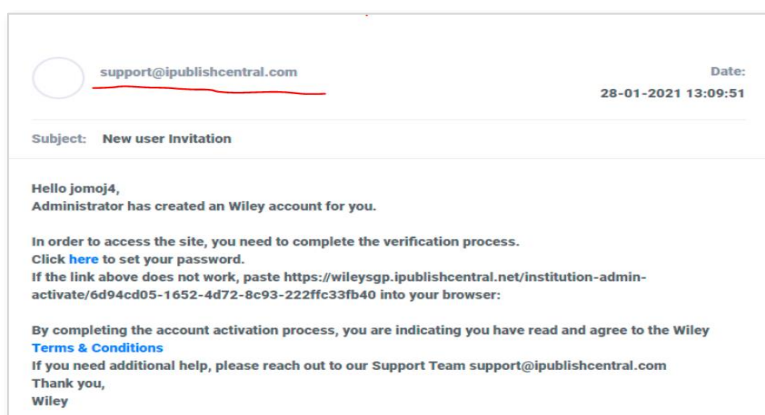

Platform Features

GETTING STARTED - STUDENTS ACCESS THE ELIBRARY ONLINE

This section describes the Access Method & Steps a student needs to follow to access the Wiley Digital Textbooks in the eLibrary.
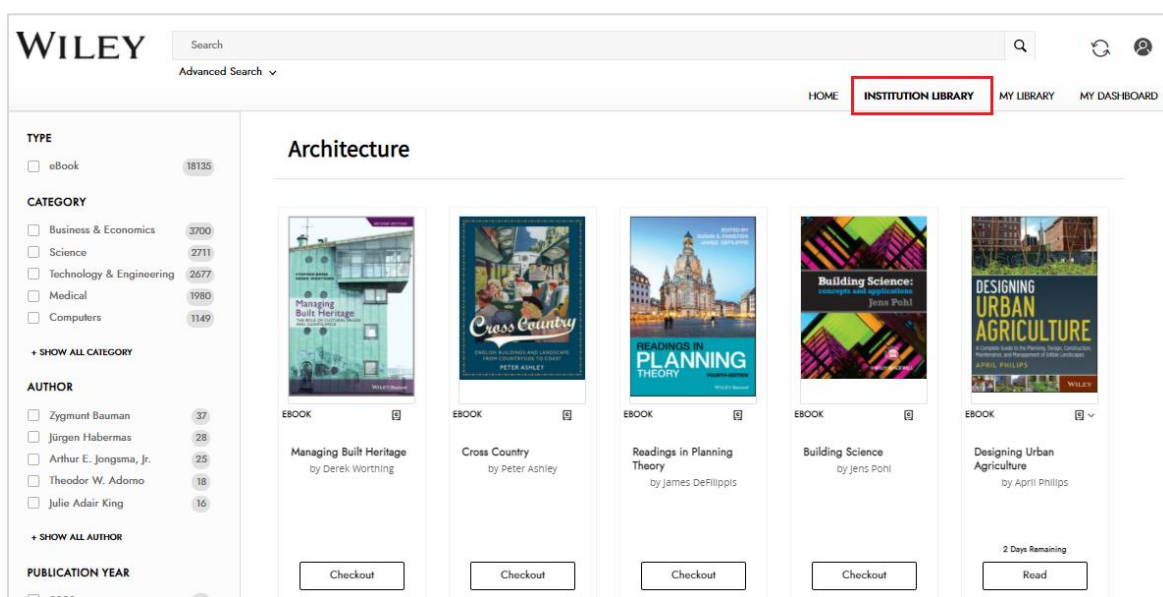

1. Open the **Wiley Digital Textbook website** (provided by your institution) in your Internet browser within your Institution IP.
2. Once the user is recognized using the IP address, the system prompts the users to create their personal account or login if they have already created a personal account.

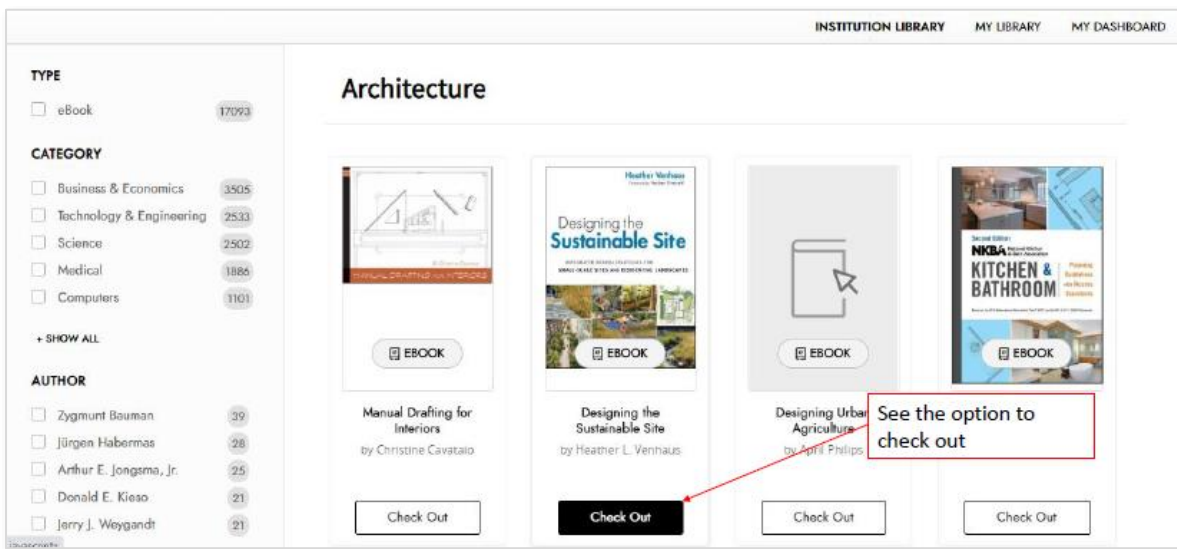

3. Click on "**Register**" to create your personal account (mandatory for all new users). An email notification will be sent to you. Please complete the verification process.

4. If you already have a personal account, click "**Login**". Once logged in, users can access the books from "**Institution Library**" tab to check out the books and start reading. Institution Library shows the listing of all the titles the Institution has subscribed to.

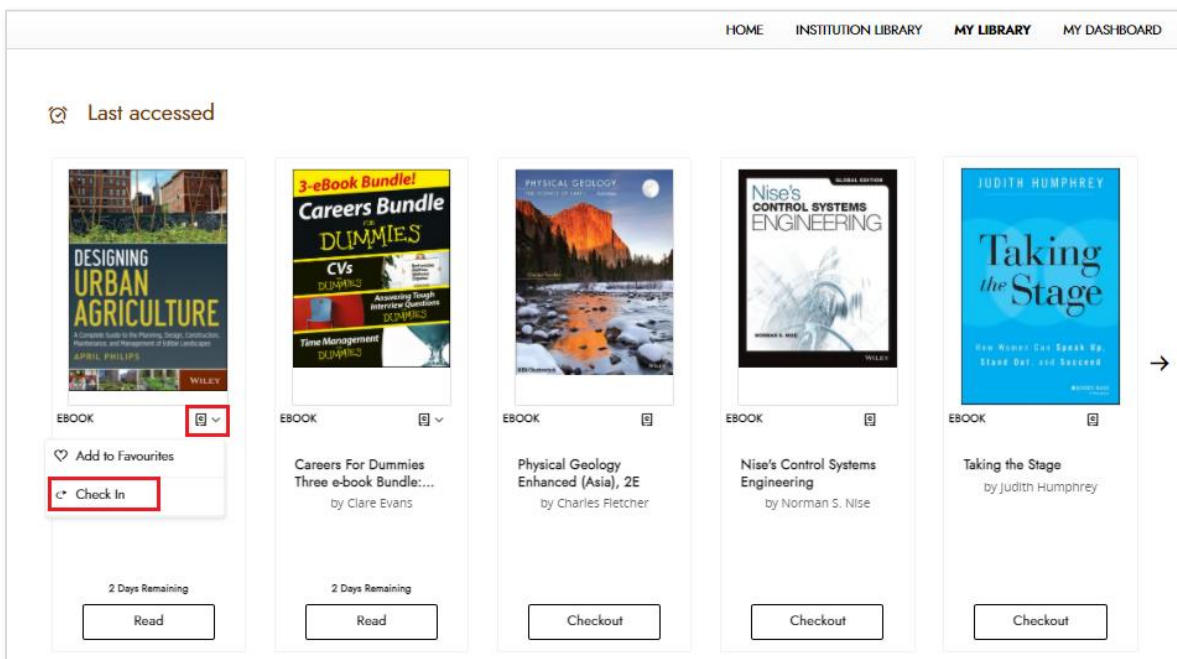

WILEY

5. Click on "**Check Out**" to read an ebook

6. In "**My Library**" tab, users will see the ebooks they have checked out.
7. Click "**Read**" to open up the ebook
