

CULTURAL CENTER OF THE PHILIPPINES
**ENCYCLOPEDIA OF
PHILIPPINE ART**
DIGITAL EDITION

The Cultural Center of the Philippines (CCP) is the premiere showcase of the arts in the Philippines. Founded in 1969, the CCP has been producing and presenting music, dance, theater, visual arts, literary, cinematic and design events from the Philippines and all over the world for more than fifty years.

CCP also realized the importance of providing a comprehensive collection of reference materials on Philippine arts, which is systematically arranged and readily available. It is for this reason that the encyclopedia was done.
